## Q3 What would make the Healthy Community Coalition meetings more valuable/meaningful to you or your organization?

Answered: 36 Skipped: 2

#	RESPONSES	DATE
1	n/a	11/20/2019 8:40 PM
2	Meeting not in the middle of the day.	11/19/2019 1:20 PM
3	It's very useful, just not always at a time I can attend	11/19/2019 10:14 AM
4	The Fall City Library is just a little too far away, perhaps vary location? Rotate between valley libraries?	11/18/2019 8:38 PM
5	The difficulty for me is sometimes the day/time conflicts with other meetings I have. The last one I attended I found very valuable.	11/18/2019 8:05 PM
6	maybe quarterly but I send the social worker instead of attending all myself	11/18/2019 5:03 PM
7	More meeting attendees.	11/18/2019 3:09 PM
8	Speaking from past experience, the time scheduled after school seemed to work well for a number of organizations. Also the lunch meetings at different restaurants. Getting input on a topic from different community groups is always valuable.	11/18/2019 1:07 PM
9	unknown	11/18/2019 11:36 AM
10	I attend mostly for networking	11/18/2019 10:39 AM
11	not sure	11/18/2019 9:31 AM
12	They are quite valuable, time conflicts simply prevent me from attending every time	11/18/2019 9:18 AM
13	NA	11/18/2019 9:10 AM
14	Greater attendance/participation from appropriate area organizations.	11/18/2019 9:06 AM
15	A clearer picture of who you want to attend and who the other attendees are, and what you expect of attendees.	11/18/2019 8:40 AM
16	I already think it is great, it's just at a time when I have other meetings, so it's difficult for me to get there	11/18/2019 8:10 AM
17	if more people showed up to network with .	11/18/2019 7:59 AM
18	Nothing. They're great the way they are.	11/17/2019 3:56 PM
19	more organizations attending	11/17/2019 3:50 PM
20	not sure	11/17/2019 3:04 PM
21	I've never been to one but I think it would be great to focus on how emotional and physical wellbeing at home can lay a foundation for the actions within the community. It would also be nice if there were discussions - even once in a while - about health and wellness in young children (pre K through elementary)	11/17/2019 1:10 PM
22	If minutes were sent out after each meeting, I could keep up with the goings-on even if I am unable to attend.	11/17/2019 7:02 AM
23	n/a	11/16/2019 5:00 PM
24	Since I am in transition between "professions" I think that I would be interested in going, but it would be as a support person for other businesses and/or gaining wellness knowledge for personal growth	11/16/2019 4:38 PM
25	I am focused on teens and volunteering specifically so any additional focus on those topics would be more relevant to my work.	11/16/2019 3:28 PM
26	I think they are valuable and meaningful Thursday afternoons just do not work for my schedule.	11/16/2019 3:18 PM
27	I think they are great as-is.	11/16/2019 2:35 PM
28	I would love to attend but I work and can't meet in the middle of the day.	11/16/2019 12:53 PM
29	I am unable to attend Coalition Meetings held a noon-time. My interest is in action based gatherings. The goal of taking action on a specific community need and then reflects on the actions taken.	11/16/2019 11:32 AM
30	I think it is valuable but I work M-F during the day and couldn't make mornings.	11/16/2019 11:10 AM

## Healthy Community Coalition

31	I'm critically concerned about drugs and other behaviors at the High School. I think more needs to be done to educate our students "scared straight", like we had in the 80s. All these forums for parents are great but we are missing a real opportunity to reach all of them on a regular basis and talk about all of today's challenges.	11/16/2019 11:03 AM
32	I would be more likely to attend if the meeting was in the afternoon. Otherwise I can't speak to this question since I have never attended a meeting. I realize that afternoons may not work for other people though.	11/16/2019 11:01 AM
33	The work and topics are good and meaningful.	11/16/2019 10:38 AM
34	I did not realize until this email and survey what the HCC is and who it is targeted to and when it meets.	11/16/2019 10:35 AM
35	A different meeting time.	11/16/2019 10:28 AM
36	So much of the meetings are targeted on youth services, which while very important, isn't the only part of our community that needs to be healthy and given some focus. What are we doing for the underserved adult population in our community?	11/16/2019 10:20 AM

1	The current time 11-1 pm time plus travel is difficult since I have a lot of students to meet with	11/19/2019 1:20 PM
2	I will def come when I can, but my hours are limited and sometimes I cannot make it	11/19/2019 10:14 AM
3	Possibly, it jsut depends on when and where the meetings are scheduled.	11/18/2019 8:38 PM
4	Most of the time	11/18/2019 5:03 PM
5	I don't think so, because of the time, but I would like to.	11/18/2019 1:07 PM
6	Or a representative from my organization	11/18/2019 11:36 AM
7	There will always be times when agency, county or funder meetings take precedence, unfortunately	11/18/2019 9:18 AM
8	Mostly yes -- occasionally there are conflicts that take priority. I wonder if bi-monthly or quarterly meetings would be helpful in attaining better attendance?	11/18/2019 9:06 AM
9	if not me, 1-2 others from our team	11/18/2019 7:59 AM
10	Not during the day, unfortunately.	11/17/2019 7:02 AM
11	Depends on the day and time...	11/16/2019 3:18 PM
12	Only if the meetings are in the late afternoon or evenings	11/16/2019 12:53 PM
13	If meetings are early morning or after work hours.	11/16/2019 11:32 AM
14	Depending on the time they're held	11/16/2019 11:10 AM
15	Depends on what this supports. I work full time but if volunteering behind the scenes will help SVSD students then yes.	11/16/2019 11:03 AM
16	Due to schedule at work, I am not able to break away at times.	11/16/2019 10:38 AM
17	If the time changes, yes.	11/16/2019 10:28 AM
18	That is my intent, but when volunteers are low it's second in priority for that month.	11/16/2019 10:20 AM

## Q5 If there barriers that prevent you from attending Healthy Community Coalition meetings, what are they?

Answered: 35 Skipped: 3

#	RESPONSES	DATE
1	Meetings are held in the middle of the day, during work hours.	11/20/2019 8:40 PM
2	Need to depart the high school at 10:40 to arrive at 11:00 a.m. If meeting ends at 1 pm, I arrive back to school at 1:40 (30 minutes before the students leave the building). I can't fit in all of the students I need to meet when I attend this meeting, but I do value it.	11/19/2019 1:20 PM
3	Just my own limited hours and schedule-not the Coalition day/time etc.	11/19/2019 10:14 AM
4	See above.	11/18/2019 8:38 PM
5	Again, timing and conflicts with other meetings	11/18/2019 8:05 PM
6	Meeting conflicts. Kelly won't make it this month and I'm short staffed so I can't come either but they are still very valuable. Lisa Yeager	11/18/2019 5:03 PM
7	Dr. Appointments and not having child care.	11/18/2019 4:08 PM
8	None	11/18/2019 3:09 PM
9	Middle of the day meeting time, although lunch seemed to have a bigger turnout.	11/18/2019 1:07 PM
10	time!	11/18/2019 11:36 AM
11	Time limitations - I try to attend the monthly Issaquah/Sammamish Nourishing Network meetings. Might it benefit the community to combine the groups?	11/18/2019 10:39 AM
12	nothing in particular, I am a direct service provider and have been busy	11/18/2019 9:31 AM
13	See above; non-negotiable conflicting meetings and appointments	11/18/2019 9:18 AM
14	NA	11/18/2019 9:10 AM
15	Occasionally, there are conflicts that must take priority -- such trainings that may be offered very limitedly.	11/18/2019 9:06 AM
16	Day and time	11/18/2019 8:40 AM
17	Other meetings at work	11/18/2019 8:10 AM
18	none	11/18/2019 7:59 AM
19	My schedule is challenging - especially the third Thursdays. Our organization will look to have someone else attend.	11/17/2019 3:50 PM
20	I have a conflicting meeting now	11/17/2019 3:04 PM
21	Childcare mostly. I have a 4 year old daughter so unless she is in preschool during the time of the meeting (including commute time), I can't make it.	11/17/2019 1:10 PM
22	Daytime meetings. :)	11/17/2019 7:02 AM
23	Meetings are held during regular working hours.	11/16/2019 5:00 PM
24	Time	11/16/2019 4:38 PM
25	The length of the drive and the topic not being relevant enough to my work to justify the time commitment. Do people conference call in ever? We've also been going through an immense amount of change in our organization and my bandwidth is smaller than in the past.	11/16/2019 3:28 PM
26	Day and time	11/16/2019 3:18 PM
27	nothing	11/16/2019 2:35 PM
28	Meetings need to be in the late afternoon or evening	11/16/2019 12:53 PM
29	Time of meeting	11/16/2019 11:32 AM
30	As mentioned before, I work during the day, M-F.	11/16/2019 11:10 AM
31	Meetings seem like a waste of time. What actually gets accomplished?	11/16/2019 11:03 AM
32	the time of day the meeting is held. Thursdays are a good day, but 11:00 is early for me. I work evenings and nights at a hospital and generally am sleeping all morning.	11/16/2019 11:01 AM
33	Work Schedule.	11/16/2019 10:38 AM
34	The time	11/16/2019 10:28 AM
35	The time isn't optimal. Right in the middle of the day, but for the most part it comes down to priority of the organization as each meeting comes up.	11/16/2019 10:20 AM
