PROVIDER UPDATE RE: **CRITICAL NEEDS**

King County

Kim Lisk (Mayor of Carnation): Kim.Lisk@carnationwa.gov

- Utility relief has been small than we thought

Amy Ockerlander (Mayor of Duvall): Amy.Ockerlander@duvallwa.gov

- Duvall community is doing okay. How to we support our community the best we can

Kathy Lambert (Council member, 3rd District): Kathy.lambert@kingcounty.gov

- 14 days of reduced death and infections – then stabilization. Once this happens nothing will happen
- Transmission level has to be 1:1 – we are close to this. We really need to be able to track how fast the virus is transmitting between people.
- Contract Trace – we currently do not have any way to do this yet – need 400 new employees to do this
- If the Valley orgs can help King County by explaining to Valley community what the County is looking for so people don't get frustrated – help people to break out of their fear
- 40% of transmission is from asymptomatic people
- Data is being done on a weekly basis

Lisa Callan (5th Legislative District): Lisa.Callan@leg.wa.gov

Healthy Community Coalition

4-23-20 Meeting Notes

- Reopening and community engagement events are TBD – opening up will determine how community follows physical distancing guidelines. Do not expect that May 4th will not bring a broad opening
- Community engagement will look different and be our new normal – we need to work together to get creative if this last until fall.

From Emily Ridout

- There was a big community event to bring the community together hosted by Love Snoqualmie Valley – it will take a collaborative effort to do this again this year.

Friends of Youth

Jackie Sharp (Substance Use Prevention in the RVSD): Jackies@friendsofyouth.org

- No critical needs in the Valley
- Shelters are open but not in the Valley

Snoqualmie Valley Shelter Services

Trissa Dexheimer (Operations Manager): Trissa@valleyrenewalcenter.com

- Critical needs are: hygiene facilities in North Bend
- All park bathrooms are closed so there is no access to bathrooms to wash hands
- Have a hand washing station – we have the funding but no location

Care Point Clinic and Snoqualmie Valley Alliance Church

Tami Jones [Tami Jones: tami@carepointonline.org](mailto:tami@carepointonline.org)

- Looking into adding Telehealth services – need funding to bring into our clinic

Question from Kathy Lambert

- Telehealth – what kind of money is needed? The cost is \$200-250 per month depending on how many providers we will have. Tami let Kathy know in the upcoming week.

Holy Innocents Church and Food Pantry (Duvall)

Carrie Harris (Outreach Coordinator): carrie@holyyinn.org

- We have a client that needs housing, she is an older woman (60ish), in good health, non-smoker, has been unable to get on any list for housing

Sarah: Sarah@svcn.info

- Expanded unemployment benefits – we are encouraging our families to give it a try
- The realities for our families is still stressful. Some are unable to make May 1st rent. Some families do not have a lease agreement or have a traditional paycheck
